“Sagging Between Poles”

I was on a rural road when I noticed the power lines and poles along the road.

The line went up, then down, up, then down, like a cartoon sea serpent cruising the waves.

Of course, the line was lowest when it was farthest from the poles, and at its highest where it was attached.

And that seems a bit like my spiritual life; ups and downs, over and over.

But my life is lowest when I’m farthest from my spiritual supports:

James 4:8 *“Come near to God and He will draw near to you.”*
